Director

- <u>Curbside (derived from circulation numbers)</u>: No increase from last month ; 2100+ physical materials
- <u>Appointment- only library usage:</u> Has been flat this past month; no real increase (average about 12 per day).
- <u>Downloadable materials: increasing slightly</u>
- <u>General Website traffic</u>: our average is staying the same; about 1550 sessions and 2700 page views and majority of our traffic comes from FB.
- Fun fact: #NedSpeaks interview with Capt. McClaren was top viewed (new content) post/page (after homepage). I suspect Songs from Stacks will be next month's winner.
- <u>Virtual programming/YouTube views</u>: 513 views; Mike's Pete the Cat most popular, followed by Eric Stone and then Library PSA.
- There are likely a variety of reasons that our circulation numbers have not increased this past month, but I am a little bit surprised. We are looking to see if weekly door-to-door deliveries would be a viable option for the library.
- Received more State Grant money for materials (\$1,100) and applied for a small NEA grant in partnership with the Foundation.
- The Library's <u>Courier system</u> is beginning service this week.
- <u>Summer Journaling Program</u> saw an initial, exciting response, but numbers have flattened off. We will be doing more promoting this month.
- <u>Songs from the Stacks</u>: has arrived and looks promising.

NEW BUSINESS (Continued)

- Discussion on Board Advocacy of social justice and human rights issues
- NCL Gift Acceptance Policy and sign from Pioneer Inn to be part of local history collection

 Board was skeptical. Worried there may be better places in town to store and display

- Discussion of shifting some library resources to enable Door to Door library services delivery since it is not anticipated that the library will be able to expand its hours in the near future.
- Tiny Home on East property that can potentially be used for Artists in Residence, temporary staff needs, and possible Short-term rental income?
 - \circ Decision from the board to pursue, form task force

OLD BUSINESS

• Library digital signage
